

Cancer and/or Heart & Stroke

Go Beyond Traditional Health Insurance

Cancer and/or Heart & Stroke insurance from ManhattanLife helps provide a critical safety net to address the financial burdens and consequences of a Cancer, Heart, or Stroke diagnosis. You receive benefits in addition to any other health insurance coverage you may have.¹

Cover costs that matter most to you

We understand that treatment is not the only cost that comes with a Cancer, Heart, or Stroke diagnosis. Unless assigned, we pay benefits to you directly - allowing you to choose whether to cover deductibles and co-payments, living expenses, lodging, or any other obligations outstanding.

Rising Costs

The Peterson Center reported that healthcare spending in the U.S. during 2019 was \$11,582 per person and expected to climb to roughly \$18,000 per person by 2028.²

Build Coverage that works for you

For added flexibility, our Cancer and/or Heart & Stroke Insurance also provides a wide range of max benefit options from \$5,000 to \$75,000 (increments of \$5,000). In addition, your choice of a Cancer Recurrence Benefit Rider, and/or a Heart & Stroke Restoration of Benefits Rider.
