

## ACA and supplemental quote and enroll is now live

### Twice the success in one sales tool.

Agents can now quote and enroll Allstate Health Solutions' supplemental products side-by-side with ACA plans using HealthSherpa's technology.

### Here's how to get started.

1. Go to the HealthSherpa x Allstate Health Solutions website at [allstatehealth.healthsherpa.com](https://allstatehealth.healthsherpa.com) and select **Sign in** on the top right of the page to log in to your account.
  - o If this is your first time, select **Forgot your password?** to create a new password.
  - o Your email address will be what you've provided to us with **+allstatehealth** added before the **@** symbol.
    - **Example:** [john.doe+allstatehealth@yourdomain.com](mailto:john.doe+allstatehealth@yourdomain.com)
2. Once logged in, select **Enable EDE** in the upper left of the banner.
  - o On your first log in, you will be asked to enter your FFM User ID into the system. This is a one-time task on your first log in and the button will disappear for all future log ins and enrollments.

3. Leave the HealthSherpa site running in the background, open a new tab in your browser and log in to [Agent Back Office](#).
4. In Agent Back Office, build a shopping cart as usual with an ACA plan and Allstate Health Solutions supplemental products, then click **Apply** from the shopping cart.
  - o You will be redirected to the HealthSherpa x Allstate Health Solutions website to complete the ACA plan enrollment.
5. Once you're on the HealthSherpa website, you'll go through the steps to complete the ACA enrollment process for your customer.
6. When you reach the enrollment confirmation page on HealthSherpa, select the **Return to Allstate** button at the top right of the page to complete your customers' supplemental enrollments as you usually would.

That's it, your customers are enrolled in their ACA plan and supplemental policies through Allstate Health Solutions.
